1 Software Update

1.1 Step One- Install the Update Client

1. Visit www.videntech.com to download the update client from <http://www.videntech.com/support/>

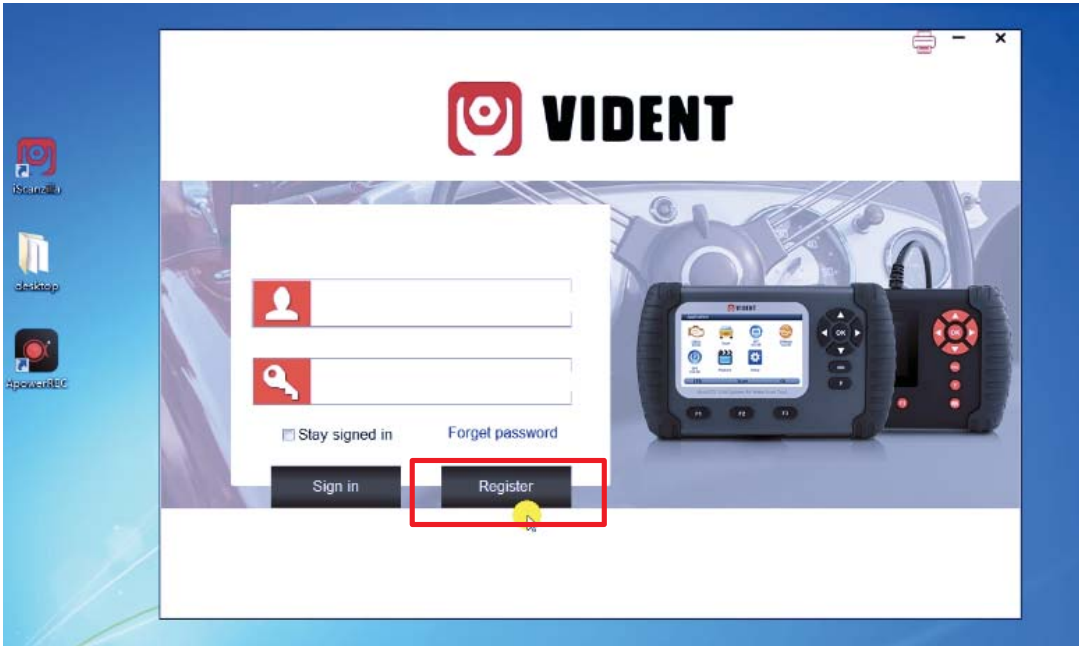

2. The file downloaded will be a compressed zip file. Open that file and run the installer inside it.

Alternatively, you can install the update client from the CD that comes in the product package.

1.2 Step Two - Create Your Vident Account.

Firstly you need to create an account with Vident.

1. Once installed, boots up the iScanzilla software, click the Register button.

2. Fill out the registration form and submit.

Create Account

Create a new Vident online account here. * [Indicates required field](#)

* User ID :	
* Password :	* Confirm Password :
* First Name :	* Last Name :
Address :	State/Province :
City :	* Country :
* Phone :	* Email :

SUBMIT

Alternatively, you can click the Sign Up button on the right upper side of our website to create an user account.

1.3 Step Three – Register Your product

1. When logged in iScanzilla, click the 'Register Products' icon.

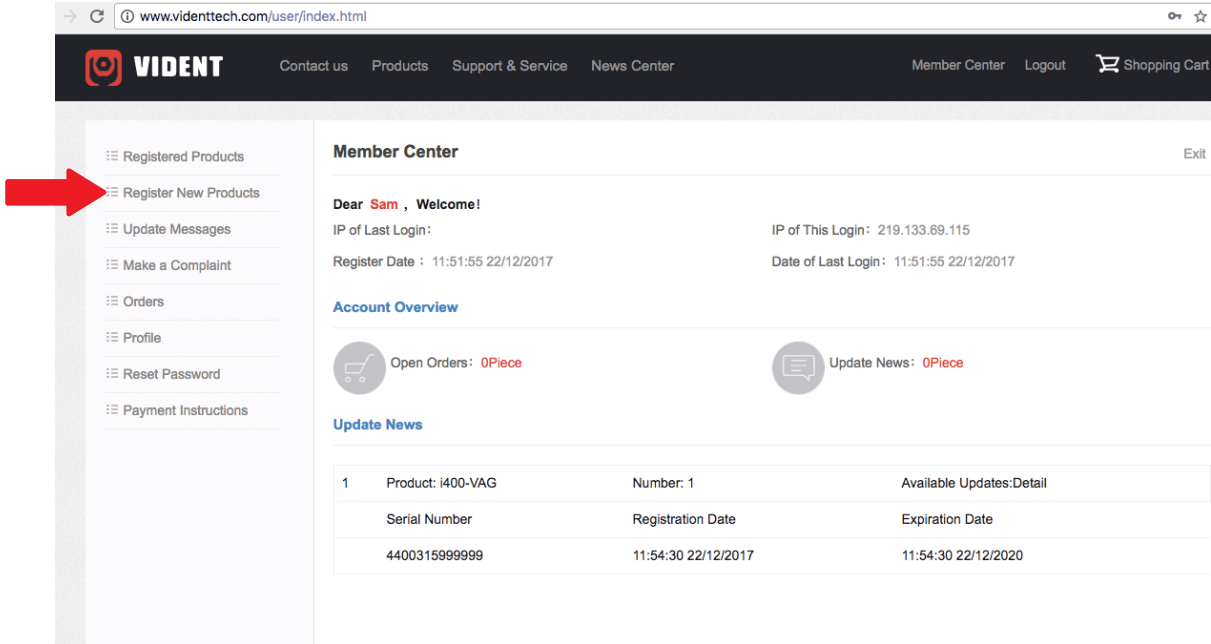

2. On the 'S/N Registration' tab, put a tick in the box marked '001' then enter the product's serial number & password, and click Submit. Please connect the scan tool with computer through the USB cable, select Setup > About to check the Serial Number and 'Register Password'.

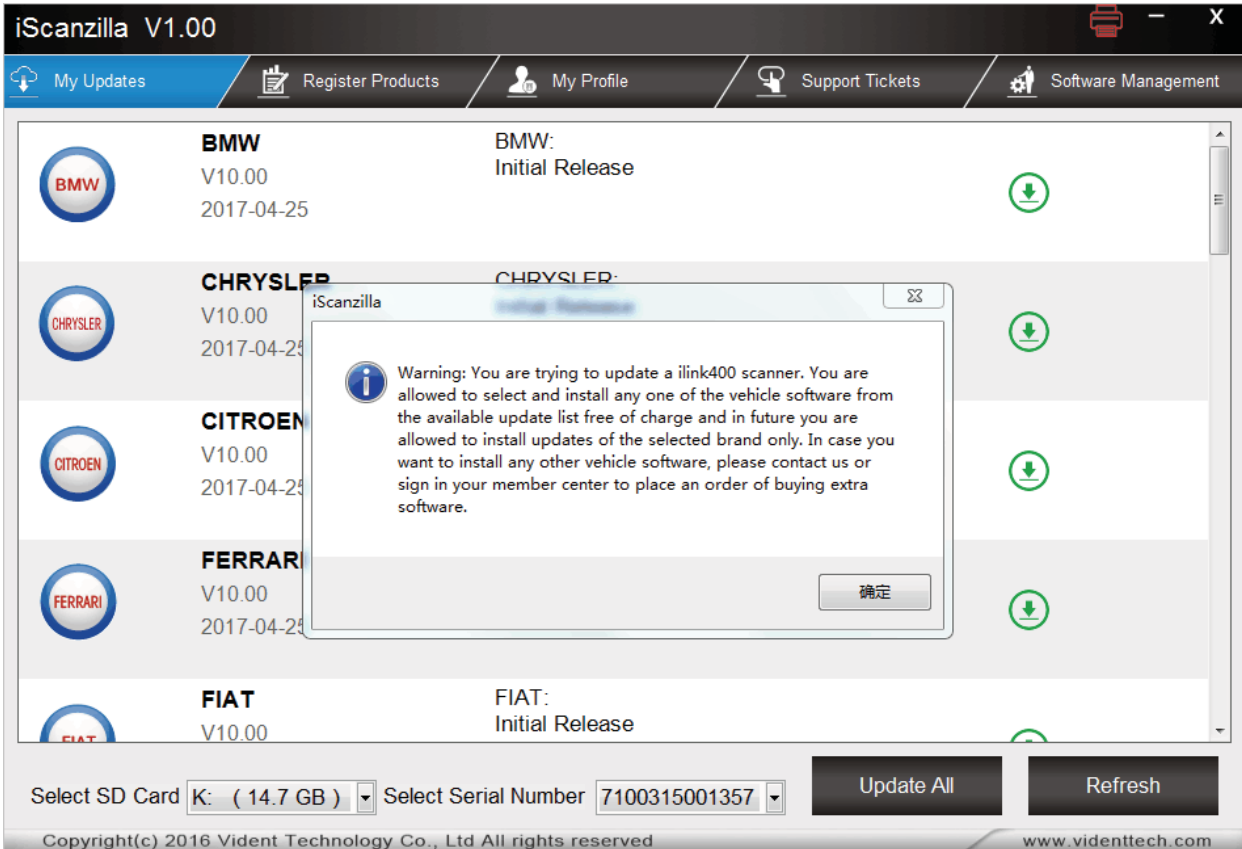

Product Serial Number

All rights reserved

3. A confirmation box should be shown confirming successful registration. Alternatively, you can register the product in the member center when logged in on our website.

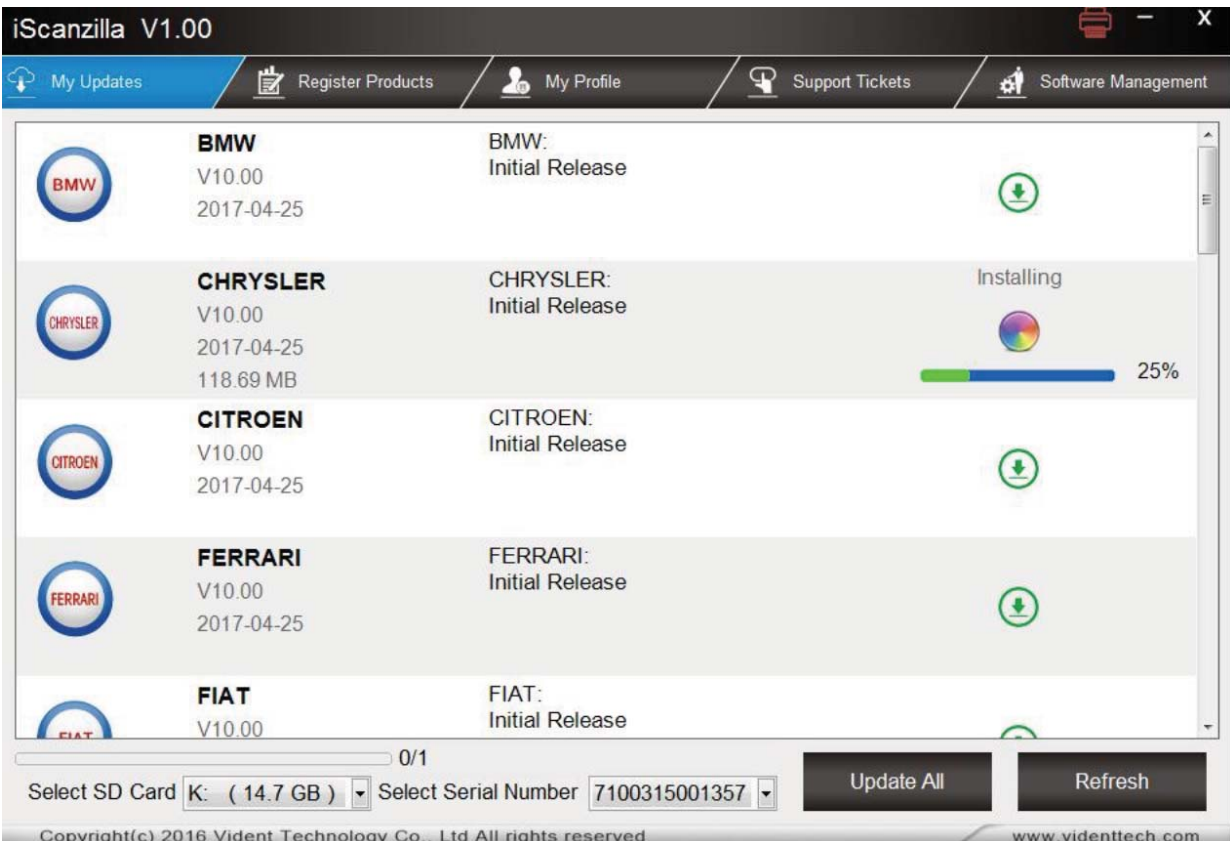

1.4 Step Four – Download and Install Diagnostic Software

1. Now close the iScanzilla software, remove the TF card from your tool (making sure the tool is turned off first!) and connect it to the PC via a TF card reader.
2. Once Windows has detected the TF card, run the iScanzilla software and login again. After a few seconds, a list of the available software updates will appear.

Please select only one software you want to update, as you can ONLY have access to the update of this manufacturer in the future once it's been selected initially. In case you want to install any other vehicle software, please contact us or sign in your member center to purchase. Please refer to next chapter to buy extra software.

3. Click the Update button to download and install the software.

4. Once the software installed, you can go to Software Management to review the installed software.

2 Buy Extra Software

iLink400 is authorized with one free software when delivery and can cover up to six vehicle makes. More software can be added anytime at extra cost. You can contact the reseller or following the steps below to buy extra software.

Buy Extra Software

Step 1/6

1. Log in at our website www.videntech.com and go to your **Member Center**, click **Registered Products**.

Product	Number	Available Updates
1 Product: i440	Number: 1	Available Updates:Detail
Serial Number	Registration Date	Expiration Date
7000315001362	22:07:22 20/09/2017	22:07:22 20/03/2019
2 Product: i400-ASTONMARTIN	Number: 1	Available Updates:Detail

Buy Extra Software

Step 2/6

2. Find the iLink400 serial number you wish to add extra software and click the **Software Details**

Product	Serial Number	Registration Date	License Valid Period	Software Detail
i440	4400315001363	16:40:54 18/09/2017	16:40:54 18/09/2017~16:40:54 18/03/2019	Software Detail
i440	7000315001362	22:07:22 20/09/2017	22:07:22 20/09/2017~22:07:22 20/03/2019	Software Detail

Buy Extra Software

Step 3/6

- You will see all software already installed on this tool as well as all software available to add. Select the software you need and click **Add To Cart** button.

Buy Extra Software

Step 5/6

- Continue to process the payment and check out through Paypal.

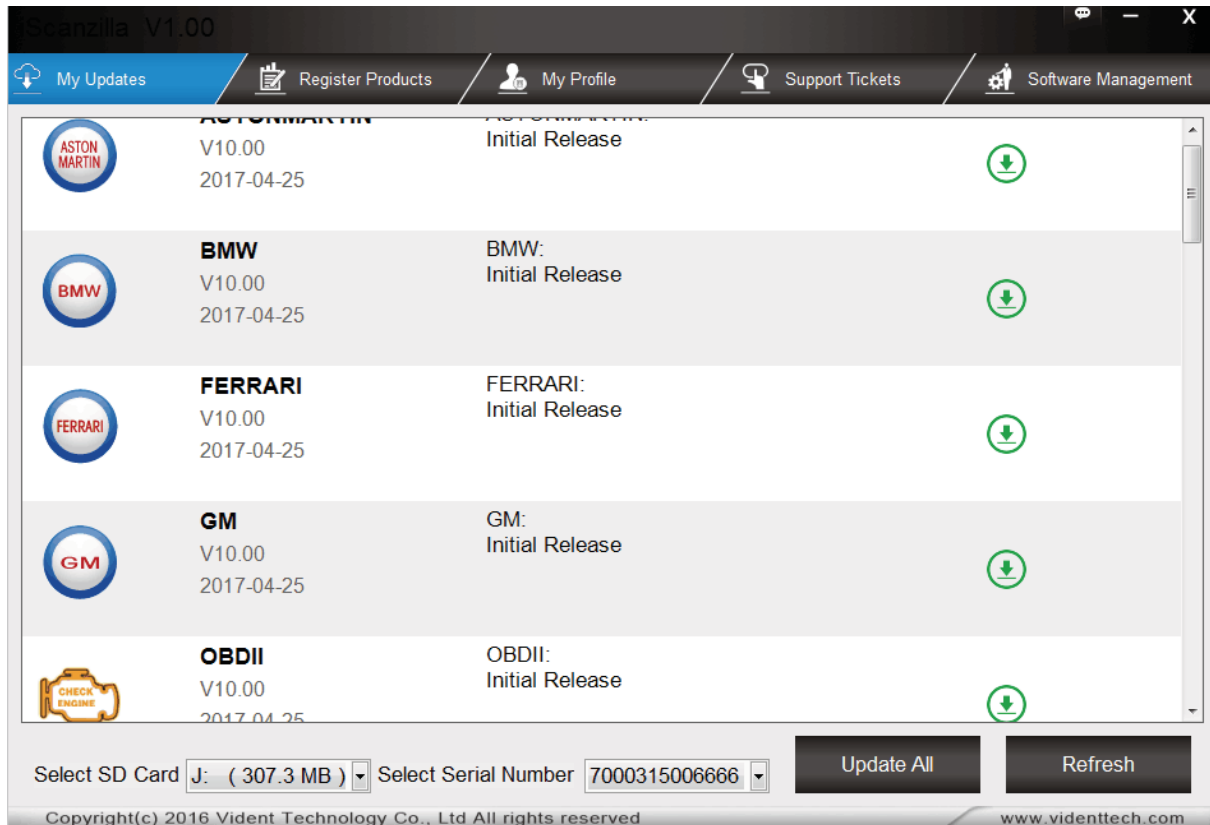

VIDENT

Buy Extra Software

Step 6/6

6. Log in the update client iScanzilla. When the payment has been made successfully, the software you purchased would be listed in the available updates list for you to download.

3 Software Renewal

If your free updates ran out, your tool will continue to function - it will not 'time out' - but you will no longer be able to access the update servers. Should you wish to continue updating your tool, you will need to purchase an update package. Please go to our website and log in to process the purchasing.

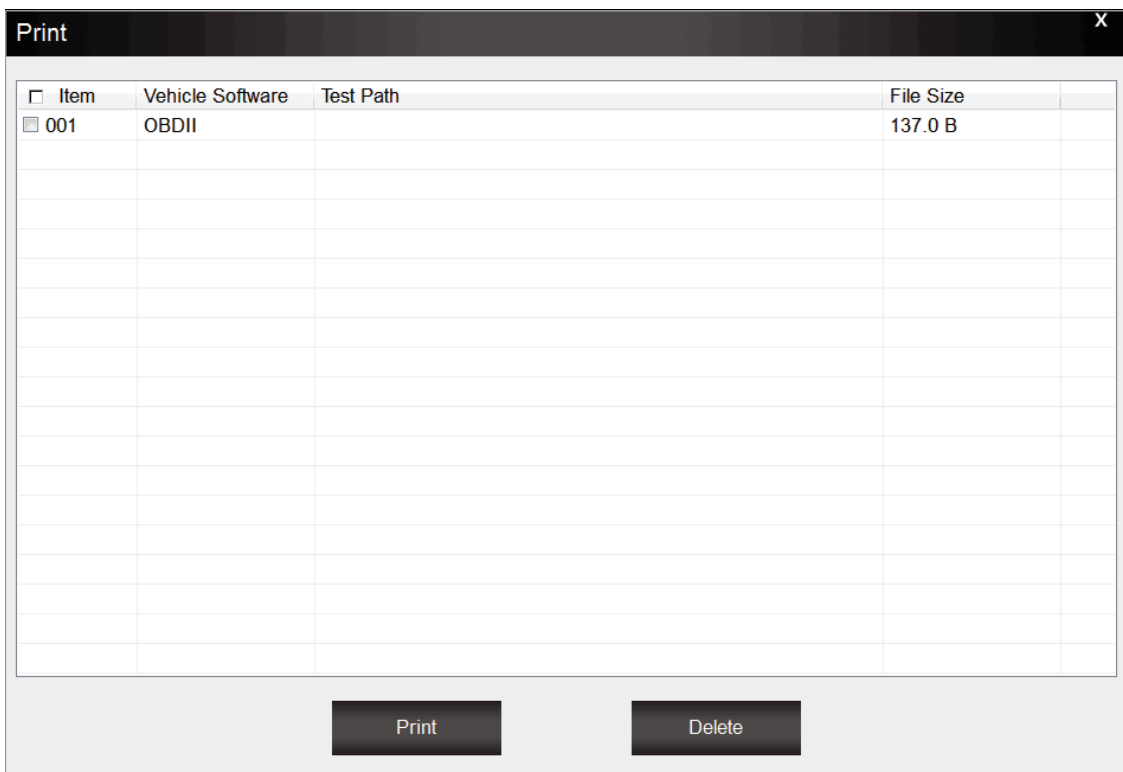

4 Printing Data

It's very easy to print out the test result through iScanzilla.

1. Click the  Button located on the upper side of iScanzilla. You can enter the print screen without logging in iScanzilla.

2. All data saved/stored in the TF card would appear on screen.

3. Tick a piece of data to either review it or print it out.
